Your Application Kit is enclosed

Here is a checklist to review before you return your application.

- Print clearly and complete the application in ink.
- You may request an effective date of the 1st or 15th of the month, unless you are requesting continuous coverage. Continuous coverage is defined as no lapse between the cancellation date of your current coverage and the effective date of the Anthem coverage for which you are applying. Your application must be received by Anthem by the requested effective date in order to secure that date.
- The primary applicant and spouse, if applicable, must sign and date the application.
- List the height and weight for each applicant.
- List the date of birth for each applicant.
- Select the deductible amount desired.
- Answer all medical questions. Failure to do so will delay the processing of your application.
- For Automatic Bank Draft, complete the Authorization located in Section E and include a **voided check**. We cannot accept deposit slips. (Your account will be drafted from the assigned effective date to the current billing date if your application is approved by Underwriting.)
- The initial premium is not required with the application. However, if you wish to submit the initial premium please make the check payable to Anthem Blue Cross and Blue Shield. Include your Social Security number on the front of the check, and affix the check to the front of the application.

If you need assistance filling out the application, please contact your agent.
